

I TOOK THE PLEDGE!

Child Protection League
JOIN THE MOVEMENT

In light of the horrific attacks currently being waged
against children in our culture; and

Because children rely completely on the protection of
adults to shield them from harm and danger; and

Because my heart and the heart of our Father God breaks
when His precious children are wrongly indoctrinated,
physically, mentally, and emotionally abused,
and manipulated into harm; therefore;

**I have taken the pledge to become a Protector of
Children as part of CPL-JOIN THE MOVEMENT; and**

- ★ *I have pledged to show up and speak up when
children need an advocate.*
- ★ *I have pledged to become informed and to stay
informed about critical issues protecting children.*
- ★ *I have pledged to share CPL-Join the Movement
information and resources with others
so they can do likewise.*
- ★ *I have pledged to speak with others about CPL-
Join the Movement and to freely distribute
CPL-Join the Movement information.*
- ★ *I have pledged to join CPL-Join the Movement
to advocate for and protect God's most precious
gift...children.*
